Dawn,

Another gift from HQ.

OW is asking regions to amplify next week on August 9, 2018, or even the following week if needed. HQ will insert a quote from the Acting Administrator. We'll need a quote from RA and are also encouraged to reach out to grantees to get quotes.

OW needs drafts sent to Allison Dennis for review by NFWF. She's asking for a day in advance prior to release. She anticipates a quick turn.

5 Star Regional
Press Release T...

The ask of PADS:

The National Fish and Wildlife Foundation (NFWF) will announce **on August 9th** the latest round of community-led wetland, stream and coastal restoration projects that have been awarded grants through the Five Star and Urban Waters Restoration Program, which receives funding from EPA, the US Forest Service, the US Fish and Wildlife Service, Southern Company and FedEx. NFWF manages the program and annually sends out a press release on behalf of the program partners to announce the grantees. (see last year's NFWF release, which included a quote from the former Administrator). NFWF would like to announce this year's grantees on Thursday, August 9th. Of the ~59 total grantees, EPA is contributing funding to ~30 of them, which are located in all ten regions.

We are asking the **Regions to issue press releases about local awardees who are receiving EPA funds**. Regions can use the attached draft press release template and excel chart with grantee information as a jumping off point. All releases will need to be reviewed by OW and OPA before they get issued. -Allison Dennis
